

# Alexion Pharmaceuticals Lunch Symposia

## The Standard of Care for the Reversal of Anticoagulation in Hospitalized Patients with Life-Threatening or Uncontrolled Bleeding

This program will discuss the burden of life-threatening bleeds related to FXa inhibitors, and focus on the mechanism of action, efficacy, and safety of a reversal agent indicated for patients treated with anticoagulants who have life-threatening bleeding.

Speaker..... Dr. Niels Martin

- Section Chief, Surgical Critical Care
- Program Director, Traumatology & Surgical Critical Care Fellowship
- Assistant Professor of Surgery
- University of Pennsylvania School of Medicine
- Philadelphia, PA

Date..... 04/15/2021
